**Namaste,
World Hindu
Congress!**

Swami Vivekananda

*"Sectarianism, bigotry, and fanaticism
have long possessed this beautiful earth...
but their time is come."*

Millions in Assam state in India, particularly Muslims, have been labeled "foreigners" even though they have lived and worked in India for decades, even generations. If PM Modi and his supporters don't change course, **4 million people will lose their citizenship and basic rights** because of the sectarianism and bigotry Vivekananda warned against a century ago. Hinduism has historically been one of the most tolerant world religions, and India's secular constitution remains a beacon of hope. Don't stain that tradition.

**Don't leave 4 million people
citizens of nowhere.**

The world is watching.
